LEON WRIGHT

Mr. Leon Wright appeared before the Board to answer a question regarding the Solar Farm discussion. He said that a land owner can put this in certain places. He clarified this is regarding 400 acres of property in Old Town. He said the company is leasing the property. He said that Dixie County has some large tracts of land so this is possible. He said there was no prior Ordinance on the books. He said that solar energy is becoming more prominent. He said that any requests will always have to come before the Board.

ATTORNEY PIERCE KELLEY

Attorney Pierce Kelley appeared before the Board to let them know that he is willing to handle the Naveen appeal over the crab trap issue. He said they need to gather more information.

County Attorney Michael Osteen informed that Board that Mr. Kelley works for him. He said he helps to cover the Board meetings when he has conflicting schedules. He said Mr. Kelley has over 40 years of experience.

Attorney Osteen said the fee for Mr. Kelley to handle the appeal is \$6,000.00 which is very reasonable for his time and experience.

Attorney Kelley informed the Board that the Plaintiff can appeal the Circuit Court and then appeal the District Court of Appeals if they want to. He said if the appeal were to go to this step there would be an additional fee for his services, but it would be less than \$10,000.00.

Commissioner Hatch asked how long the crab traps can sit on Mr. Naveen's property.

Attorney Kelley said that Mr. Naveen had entered a motion to stay the court ruling while the appeal is pending. He said he has until July 30, 2021.

Commissioner Mills asked what happened to the 30 day limit.
Attorney Osteen replied that he has misspoke.

Commissioner Mills asked how many appeals Mr. Naveen can do.
Attorney Kelley said only one more. He said the next step in the legal process is much more difficult to get and can take months. He said he feels confident the County can win this case. He said there should be a hearing before July of 2021.

Attorney Osteen clarified that there has been one trial and there can be two appeals.

Commissioner Hatch made the motion to hire Attorney Pierce Kelley to handle the Naveen appeal. Commissioner Mills seconded. Board approved.

KEITH SEGAR, SUWANNEE WATER AND SEWER

Mr. Keith Segar had nothing to discuss at this time.

GREG BAILEY, NORTH FLORIDA PROFESSIONAL SERVICES

CINDY BELLOT, LIBRARY DIRECTOR

Ms. Cindy Bellot appeared before the Board and informed them that the Summer programs at the Library are beginning June 02 and will go for the next five weeks. She said some of the programs will include live animals.

STEVE FREMEN, VETERANS SERVICE OFFICER

Mr. Steve Fremem was not present for this meeting.

STEVE HUTCHISON, COUNTY ROAD SUPERINTENDENT

Mr. Steve Hutchison appeared before the Board and presented the Board with a list of equipment for auction.

Mr. Hutchison informed the Board of several complaints about the traffic on Chavous Road and the Willow Hole Road. He said there have been complaints regarding the potential for wrecks. He suggested putting in some rumble strips. He said it would cost \$600.00 for the county to do this.

Commissioner Stephenson recommended they put the strips on both roads.

Commissioner Hatch made the motion to putting in some rumble strips on both roads. Commissioner Mills seconded. Board approved.

Mr. Hutchison informed the Board that they will have some milling from the Neely Hicks Road Project.

Commissioner Hatch made the motion to put millings on 143 Avenue. Commissioner Mills seconded. Board approved.

Commissioner Hatch made a motion to put the millings on the Jenny Herring Road too. Commissioner Mills seconded.

Commissioner Hatch instructed Mr. Hutchison to get some loads of milling for Mr. Fuquay too.

Mr. Hutchison informed the Board that he had four bids on the sailboat removal from the Steinhatchee River. He said that D & L Construction bid \$12,372.00; Mr. Knox bid \$5,600.00; Mr. Parrot bid \$5,950.00 and Sea Tow bid \$4,500.00. He said they will also handle the disposal of the 27 foot sailboat.

County Manager Duane Cannon said they will give a report to FWC and photos of the extraction and load tickets from the Aucilla landfill for the disposal. He said there is a Derelict Vessel Program and the count may get some funding back from this.

Commissioner Stephenson asked if they had notified the owner of the boat.

Manager Cannon replied there is no registration on the boat.

Commissioner Mills made the motion to give the contract to the lowest bidder which is Sea Tow. Commissioner Hatch seconded. Board approved.

Commissioner Stephenson asked about putting some millings at Gornto Springs.

Commissioner Hatch suggested putting down concrete instead.

Commissioner Stephenson said the milling is free.

Mr. Hutchison informed the Board that the county has to remove the dirt that was dug out of the ditch at Shady Oaks from the Green Way.

Mr. Hutchison informed the Board that he is six people short on his staff.

Mr. Hutchison informed the Board that the floating dock is unsafe at Shirred Island. He said they have removed this for repair.

Mr. Hutchison informed the Board about the erosion of the roads in Suwannee beside the canals. He said there are no seawalls to help protect them. He said they have 150 load of concrete sheets, but they need to crush this. He said they need to rent something to crush the concrete. Commissioner Mills suggested renting a jack hammer on a trac hoe.

Commissioner Mills asked about the county equipment for auction.

Mr. Hutchison replied everything is listed.

Manager Cannon asked if they need to advertise for the county property sale to be legal.

County Attorney Michael Osteen said they can advertise to the public and have a live auction on site or online.

Commissioner Hatch recommended they advertise for two weeks.

Mr. Hutchison informed the Board that the tennis courts and trees have been removed from the backside of the courthouse and the site has been leveled and limerock has been put down for the proposed parking area.

Commissioner Stephenson asked about the asterisks on the list of equipment.

Mr. Hutchison informed the Board that those marked items do not have a property number.

DWAYNE CHAUNCEY, MOSQUITO CONTROL DIRECTOR

Mr. Dwayne Chauncey was not present for this meeting.

MICHAEL LATSON, SOLID WASTE

Mr. Michael Latson appeared before the Board and informed them that one of his staff has resigned. He said that he needs to advertise for this position.

Commissioner Hatch made the motion to approve the advertisement for the open position.

Commissioner Mills seconded. Board approved.

Mr. Michael Latson informed the Board about an incident at the Horseshoe roll off site. He said the Attendant had been pushed down by a person dumping at the site. He said the law would handle this issue.

Commissioner Mills recommended they make sure this does not happen again.

Commissioner Hatch agreed that Law Enforcement and the Court systems should handle this.

He requested Mr. Latson keep the Board informed of the status.

Mr. Michael Latson informed the Board about the commercial land clearing businesses that are dumping large trees at the roll off site.

Commissioner Hatch said if it is people cleaning up their own property they can dump at the roll off site. He said if it is a commercial vendor they need to dump at the transfer station.

Commissioner Mills said there is a DEP mandated size restriction for dumping at the roll off sites.

Commissioner Stephenson said they should follow the rules set by DEP and follow their guidelines.

Commissioner Stephenson asked about the C & D dumpsters at the Rock Pit roll off site and why there is a charge for using these. He said the ones in the coastal towns are free. He said it must be fair for everyone.

Mr. Michael Latson informed the Board that they had pulled all of these from the roll off sites and then put some on the coastline to help with storm cleanup. He said they were never picked back up after the allotted time had elapsed.

Commissioner Hatch recommended that all coastline towns have a C & D dumpster. He said this was originally done to help with Hurricane cleanup. He said that the commercial contractors rent dumpster for their job sites. He said this does get abused.

Commissioner Stephenson recommended this be free for all or charge for all.

Commissioner Mills said this was for “Mom & Pop” to clean small stuff up from the storm. He said the Commercial people are filling these dumpsters up.

Commissioner Stephenson made the motion to pull all C & D dumpsters from the roll off sites.

Commissioner Mills seconded.

Commissioner Hatch voted No.

Commissioner Valentine voted No.

Commissioner Storey voted Yes.

Board approved.

Commissioner Stephenson said they can use the old concrete for the offshore reefs.

Mr. Latson agreed and clarified that the concrete must be clean.

Commissioner Stephenson asked why the metal left at the roll off sites is not being picked up. He said that people are stealing this.

Mr. Latson said he will need to get with A & O and Mr. Todd Herring about picking up the metal.

LEON WRIGHT, BUILDING AND ZONING

Mr. Leon Wright appeared before the Board informed them that he had one person apply for the job as inspector.

He said he will review this tomorrow and turn the application over to the Human Resource Department.

Mr. Leon Wright informed the Board that they have had 300 RV renewal notification letters sent out for the years from 1993 through 2004 that have never paid the \$300.00. He said these have never been paid and they are not asking for amount past due only for a current renewal fee.

Mr. Leon Wright informed the Board a person in Cross City is asking for zoning for a Campground. He said the property is not zoned for this currently. He asked the Board if they wanted to add this as permitted use or a Special Exception.

Commissioner Hatch recommended the Board allow Mr. Wright to do what is necessary to clear up the matter. Commissioner Mills seconded. Board approved.

Commissioner Hatch clarified this property is between Shamrock Auto and the Sun Stop.

Commissioner Stephenson said the lumber mill is across the road.

Mr. Leon Wright informed the Board that the Putnam Lodge is also putting in campers.

Mr. Glenn Biggerstaff asked if some of these renewal permit may be grandfathered in. Mr. Leon Wright replied this has been changed. He said the Board advertised prior and changed the LDR. He said that from 2003 forward they were required to do the renewal. He said that some people paid and some didn't pay. He said there are 600 RV around the county. He said that Building and Zoning have been working on this for the past two years and dealing with a huge burden of complaints on campers and RV's. He said that most of these are in violation of the building code.

Ms. Doris Satterfield asked what is the length of time allowed for the extension..

Commissioner Hatch replied year.

Mr. Wright added there is a renewal process every year.

Commissioner Stephenson said the taxpayers are covering the burden of the ones who don't pay.

Commissioner Hatch said that most people pay the Assessment to the county. However, campers and RV's do not.

Commissioner Stephenson asked about the current occupation of the applicant for the inspector job.

Mr. Leon Wright informed the Board that he is an electrician and has AC repair business.

Commissioner Stephenson said that would be a conflict of interest and to make sure he understands that he can't work for county and do his side work within the county.

DARIAN BROWN, DIRECTOR OF EMERGENCY SERVICES

Director Darian Brown appeared before the Board and reminded them on the EMS celebration on Saturday at Camp Anderson.

Director Brown informed the Board that he is still working on the UPS issue of not delivering in Suwannee.

Director Brown requested the Board approve the Interlocal Agreement contract to provide Fire Protection Services for the Town of Horseshoe Beach. He said this is normally a two year contract but would like to extend it to a five 5 year period with terms.

Commissioner Hatch made the motion to approve the contract to provide Fire Protection Services for the Town of Horseshoe Beach and to increase it from two years to five years.

Commissioner Stephenson seconded. Board approved.

Director Brown reminded everyone of the Hurricane Recovery meeting on Thursday, May 27 at the EOC building.

Director Brown informed the Board that he will be re distributing the duties of Mr. Chuck Elton due to his impending retirement. He also suggested they allow Building and Zoning to do the 911 addressing of properties since they also do the permits and site plans. He said they would continue with the Grants.

Commissioner Hatch agreed and instructed them to not move any equipment from the EOC over to Building and Zoning.

Director Brown said they will keep Mr. Elton's office intact and with all the equipment.

Commissioner Stephenson asked if this is the typical way to handle property addresses.

Mr. Wright replied said his office does the site plan and checks the flood zone and then the person goes to see Chuck at the EOC and then they come back to Building and Zoning. He said this would save the person some steps back and forth between the two locations.

Commissioner Hatch made the motion to approve Building and Zoning to handle the 911 addressing of properties. Commissioner Stephenson seconded. Board approved.
